

## Declaration

We

Hanna Instruments Italia  
via E Fermi, 10  
35050 Sarmeola di Rubano – PD  
ITALY

herewith declare that our 10, and 500 NTU Turbidity Calibration Solutions are N.I.S.T. Traceable, AMCO CLEAR EPA approved Primary Standard solutions. The solutions are custom prepared by APS Analytical Standard Inc. The 0 NTU calibration solution is tested using a reference turbidity meter, which is calibrated by means of primary (N.I.S.T. Traceable) standard solutions.
